RESEARCH INTERESTS

AI Scaffolding vs. Substitution in Learning, Metacognitive Monitoring, Generative AI in Education, Assessment Validity, Teacher Professional Development, Instructional Design & Technology Integration, Equity-Oriented EdTech, Learning Sciences

EDUCATION

Master of Education, Educational Leadership & School Improvement

May 2023 – Nov 2026

BRAC University, Dhaka, Bangladesh — CGPA 3.78/4.00 (In Progress)

Thesis: Exploring AI Readiness: A Qualitative Study on Head Teacher, Teacher, and Student Perspectives in Government Secondary Schools in Dhaka

Bachelor of Business Administration, Accounting

Jan 2018 – Feb 2022

East West University, Dhaka, Bangladesh — CGPA 3.83/4.00, Magna Cum Laude

Thesis: Roles of Multinational Companies in Tax Evasion & Tax Avoidance in Bangladesh

Manuscript Under Review

- Niloy, A. C., Sultana, J., & Huda, T. (2026). The paradox of AI-assisted learning: Helping students to think, or think less? Manuscript submitted for publication.

RESEARCH EXPERIENCE

Principal Investigator — AI Scaffolding vs. AI Substitution

Aug 2026 – Dec 2026

- Leading two studies on generative AI's effect on cognitive autonomy, knowledge transfer, and metacognitive monitoring in higher education.

Co-Investigator — ProjectGPT: AI in Education Research Initiative

May 2022 – May 2026

- Co-authored four empirical studies on generative AI's impact on teaching and learning using experimental, quasi-experimental, and mixed-methods designs; conducted literature reviews, data analysis, and manuscript preparation.

AWARDS & RECOGNITION

- Community Impact Recognition, Teach For Bangladesh (2024)
- Magna Cum Laude, East West University (2022)
- Merit Scholarship (Full Tuition-Free), East West University (2021)
- Dean's List Scholarship, East West University (2019–2021)
- Champion, EWU Inter-Department Debate Tournament, East West University (2018)
- Champion, EWUDC Intra-Club Debate Championship, East West University (2018)
- Finalist, Shahid Buddhijibi Shikkhok Sharok Debate Fest, University of Dhaka (2021)

LEADERSHIP & PROJECT MANAGEMENT

Dreams Revived — Sewing Our Own Future (Project Lead)

May 2023 – Sep 2023

- Led a dropout-prevention initiative reaching 1,428 students, parents, and community members; raised education-value awareness by 49% and ranked top 5 of 70+ Teach For Bangladesh Capstone projects.

Project Horizon — Career Awareness & Planning (Project Lead)

Jun 2024 – Sep 2024

- Led a career-readiness project for 1,877 students and stakeholders using AI-supported workshops; improved career awareness from 10.8% to 79.5% and ranked top 19 of 88+ Capstone projects.

PROFESSIONAL EXPERIENCE

Research & Grants Lead — Altlearn

Jan 2026 – Present

- Direct a mixed-methods social-emotional learning study and design AI-supported pedagogy training modules with embedded assessment frameworks.
- Lead programme development across career-informed pedagogy, career education through astronomy, and STEM initiatives; prepare grant applications, logframes, and MEAL systems.

Leadership Fellow — Teach For Bangladesh

Nov 2022 – Dec 2024

- Designed and delivered 332 technology-enhanced lessons and 17 asynchronous modules for 170 K–12 students, improving literacy by 23%, engagement by 75%, and independent learning by 68%.
- Trained 60+ parents (BOLD Program) and 55+ parents in digital citizenship (national ESOL initiative); mentored 12 incoming Fellows in curriculum adaptation and blended learning design.
- Received Community Impact Recognition (2024) for leadership in blended learning integration.

Undergraduate Teaching Assistant — East West University

Jan 2021 – May 2021

- Supported faculty instruction, grading, and mentoring for 75+ students across social psychology, international relations, and gender studies courses.

SKILLS

Research & Analysis: Experimental, quasi-experimental, and mixed-methods research; survey design; regression; data visualization.

Software: NVivo, SPSS, R, STATA, SQL, Power BI, Microsoft Office, G-Suite.

Languages: Bangla (Native), English (Professional; IELTS 7.0).
